PROJECT TOPICS WITH AVAILABLE MATERIALS

Hello,

We independently generate topics, conduct researches and commercialize them. Our topics and researches are original. We do not 'copy & paste'. To avoid plagiarism, we test our works with plagiarism tools. Our researches, however, have not undergone serious academic supervision.

Below are some of the available project topics with full materials. You can download the project proposal from our blog, websites or even Google. Just type the title (for example, type "Obasanjo's foreign policy by omotere") on Google interface. You can choose to download the PDF or MsWord version. Better still, you can write it directly from your phone (visit www.omotere.tk).

Remember to distribute these topics to your friends.
